Below are some of the items that will be discussed/seen/acted on/given out as part of the workshop:

- A large colorful “Sharing Jerusalem” banner that can be hung outside of the church building
- A 30-minute DVD entitled “Searching for Peace in the Holy Land” that presents a balanced view of the current situation, produced by Landrum Bolling
- A Resource Guide, together with a list of resource materials, web sites, groups, etc.
- Practice in creating a Church Action Plan tailored to the specific needs of your church
- A CD/song sheets with Sharing Jerusalem peace songs specially created for this movement
- Sharing Jerusalem bumper stickers and pins
- Brief history of tolerance/intolerance in Jerusalem and the Biblical importance of the land
- Opportunity to be a charter member of CAN, a collaborative Church Action Network

To sign up for this workshop or get additional information, please contact Sharing Jerusalem at [workshops@sharingjerusalem.org](mailto:workshops@sharingjerusalem.org). Churches that participate in the workshop are NOT obligated to participate in the campaign, but **RSVPs are needed** in order to determine how many participants will be attending the St. Albans workshop on July 8<sup>th</sup> and how many will be staying for lunch.

Participants who register by July 5<sup>th</sup> will receive a free copy of the movie DVD and the Sharing Jerusalem music CD.
